Configuration de votre boîte
aux lettres **Outlook**

Afin d'accéder à votre application Outlook et retrouver tous vos emails, vous devez impérativement effectuer la procédure suivante.

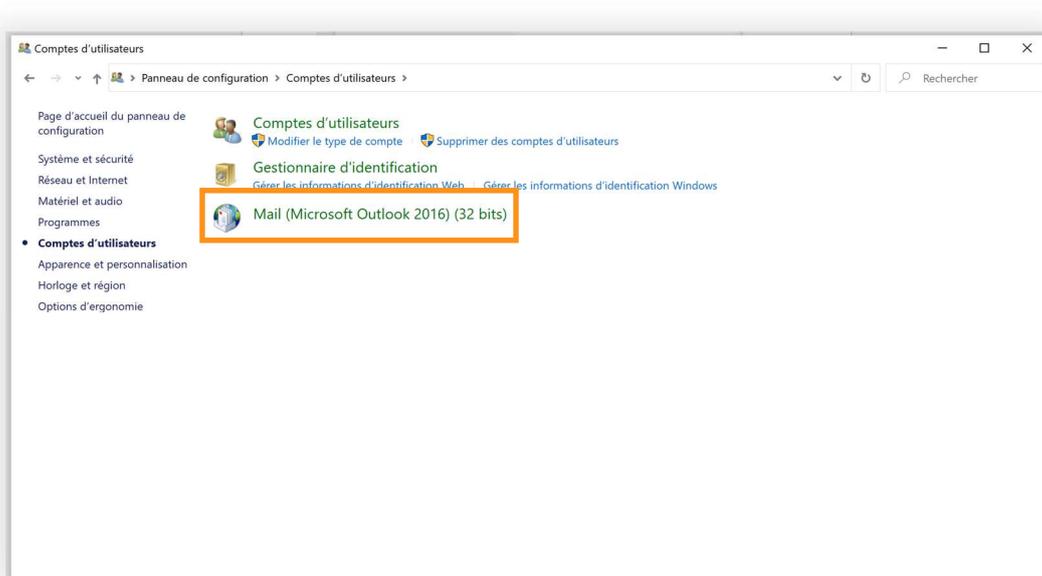

I. Allez sur le "panneau de configuration"

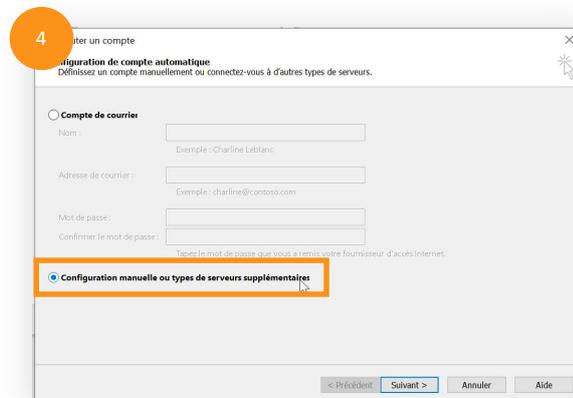

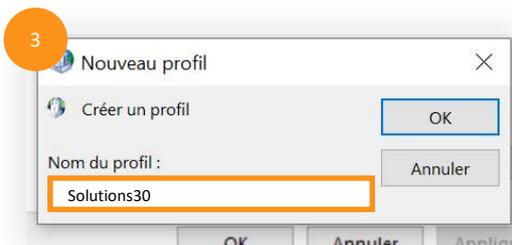

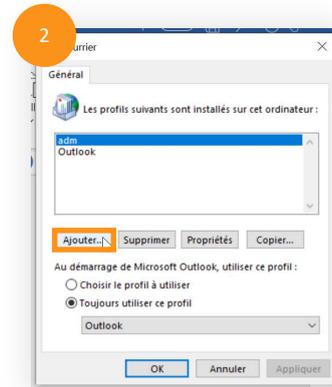

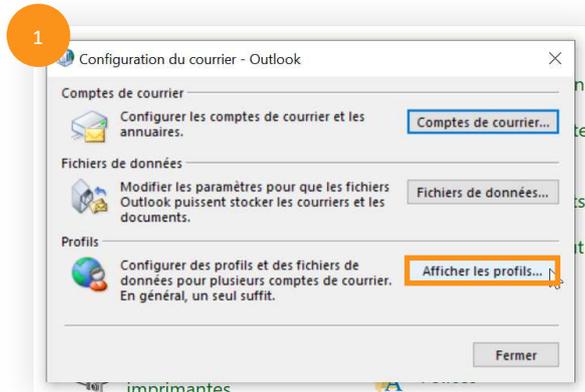

II. Puis sur "Comptes d'utilisateurs"

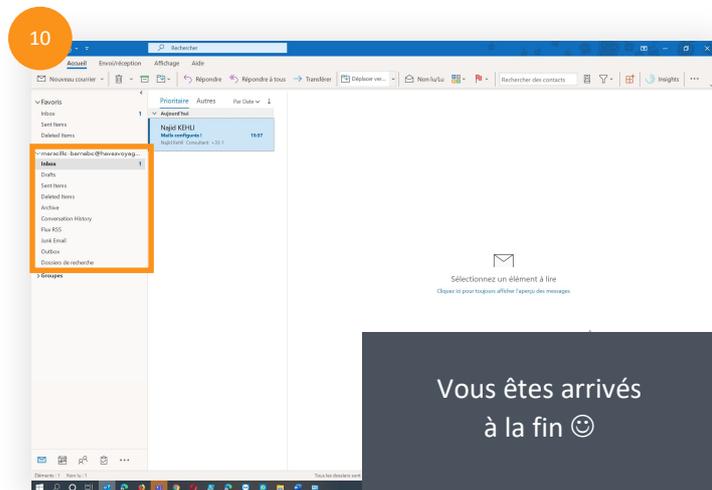

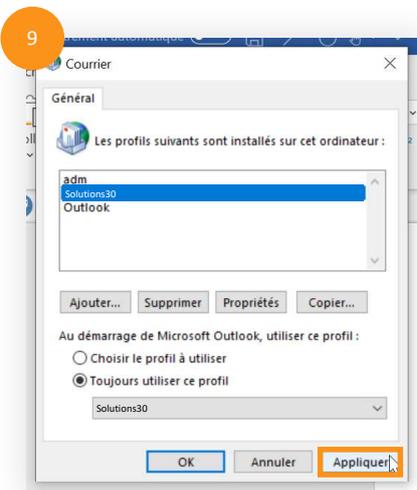

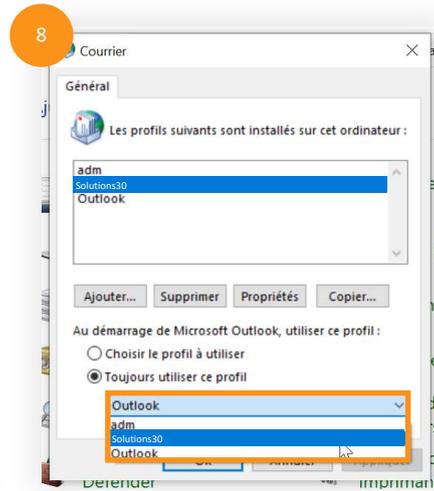

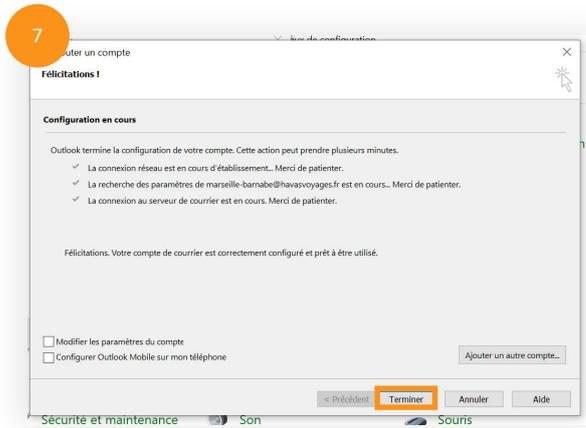

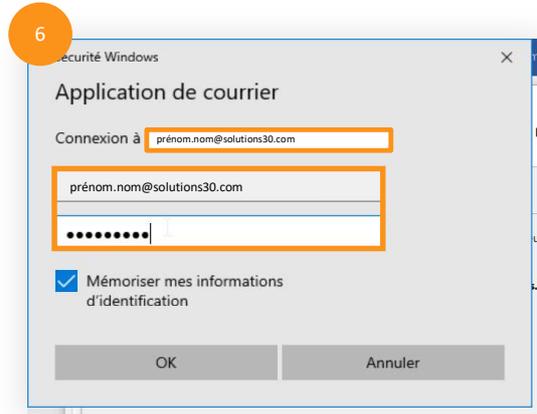

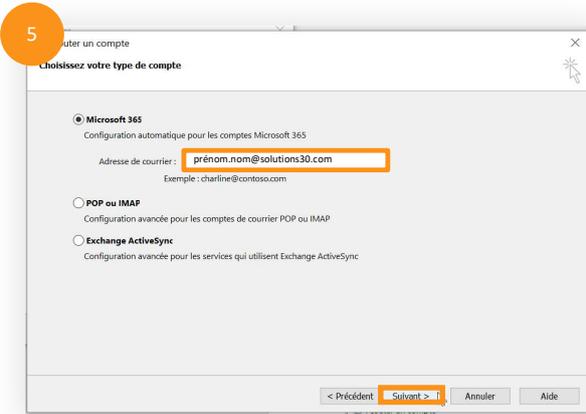

III. Sélectionnez "Mail (Microsoft Outlook)"

IV. Suivez les étapes suivantes :

Si vous avez au préalable exporté votre boîte aux lettres dans une archive locale PST, rattacher votre archive sur votre nouveau profil Outlook en double cliquant sur le fichier PST depuis l'explorateur Windows.
